

The Mary Black Foundation regularly convenes a dedicated group of local nonprofit leaders to discuss challenges and best practices within their work.

We invite all nonprofits in Spartanburg County to attend. The format is informal, with the goal of education and networking for all those present.

The peer-to-peer support provides attendees with a forum to share experiences and challenges, with the idea that those doing the work on the ground have the best answers to the toughest questions. Items may be added to the agenda by attendees, either at the meeting or in advance. The key to the group is confidentiality. Any topics or issues discussed must be kept expressly confidential.

*If you are interested in attending the next Roundtable meeting, or have any questions, please contact Curt McPhail, Program Officer, at 573-9500 or [cmcphail@maryblackfoundation.org](mailto:cmcphail@maryblackfoundation.org).*
